All work shall comply with the Code of the City of Watertown, § 310-26.1 :

- A. No fence shall be more than six (6) feet in height, except in Light and Heavy Industrial Districts where no fences shall be more than eight (8) feet in height.
- B. Fences located in the front yard shall not be more than four (4) feet in height, and shall be at least thirty-three (33) percent transparent, except in Light and Heavy Industrial Districts. Examples include, but are not limited to, wrought iron, split rail, picket or chain link fences.
- C. On corner lots, fences located in the front yard and side yard on the street side or in the rear yard within 20 feet of the street/side lot line shall not be more than four (4) feet in height and shall be at least 50% transparent.
- D. The side of the fence facing away from the fence owner's property shall have a finished quality.
- E. Electric fences shall not be allowed in any District.
- F. Barbed wire fences shall not be allowed except on top of chain link fences at least six (6) feet in height in Light and Heavy Industrial Districts.

§310-27: Visibility at corners. In any Residence District NO structure, fence (which is less than 50% transparent), or shrubbery over three (3) feet in height shall be maintained on any corner lot within a triangular area formed by lot lines along the streets to the points on such lines a distance of 40 feet from their intersection and a line connecting such points. Fences which are 50% transparent or more, such as wrought iron, chain link, or split rail ARE allowed in this triangular area; maximum height shall be 4 feet.
